

**How to answer...**

# Explain Difference/Similarity

**4  
Marks**

**Explain one way in which X was similar/different to Y**

**This question features on: ► Paper 1: Question 3**

**This question will ask you to identify a similarity OR difference regarding a particular topic between two distinct time periods**

**This question is only worth 4 marks, so you need 1 clear and concise paragraph**

**You could structure your answer as follows:**

**Argument:** ‘One way in which X is similar/different to Y is...’

**Explain your first time period:**

- Identify the relevant feature/characteristic
- Explain using precise historical evidence

**Explain your second time period:**

- ‘In Y, this was similar/different because...’
- Identify the relevant feature/characteristic
- Explain using precise historical evidence

**Remember to refer back to similarity/difference throughout your response**
