

**How to answer...**

# Explain Difference/Similarity

**8  
Marks**

**Explain two ways in which X and Y were similar / different**

**This question features on: ➤ Paper 2A: Question 3**

**This question will ask you to identify two similarities OR differences regarding a particular topic between two distinct time periods**

**You could structure your answer as follows:**

**Argument:** 'A way in which X is similar/different to Y is...'

**Explain X:**

- Identify the relevant feature/characteristic
- Explain using precise historical evidence

**Explain Y:**

- 'For Y, this was similar/different because...'
- Identify the relevant feature/characteristic
- Explain using precise historical evidence

**Do this twice**

**Remember to refer back to similarity/difference throughout your response**
