Explain what was important about...

This question features on: ➤ Paper 2B: Question 2

This question tests your ability to write about the key **consequences of a change or key feature of a period**

Think:

- **What impact did it have in the **short term**?**
- **What impact did it have in the **long term**?**
- **Was it more or less important for different people?**

To answer the question you should:

- **Identify a **consequence** of the topic which made it important**
- **Explain why and how this consequence impacted society/people's lives - use your **historical knowledge and understanding** and give **specific facts/dates****

Do this multiple times - to get top marks you need to talk about multiple consequences to demonstrate the importance of the topic

Consider the **connections between the aspects of importance that you have identified**
